Profile Summary

Hello, I'm Yash Kabra, and I bring a wealth of expertise in Manual Testing, Automation Testing, and Quality Assurance to the table. My educational background includes formal training in these areas, and outside of work, I'm passionate about photography and exploring diverse cuisines. Over the course of my 6+ years in the industry, I've had the privilege of contributing my skills to esteemed organizations such as Yadara LLC, FirstCry, Quest Global Technology, and Genesis Technologies. During this journey, I've not only honed my testing capabilities but also led teams to achieve outstanding results in quality assurance. What sets me apart are my strengths in test strategy development, proficiency in test automation, and an unwavering commitment to ensuring high-quality software delivery. I'm driven by the pursuit of refining test automation frameworks, continuously improving processes, and delivering seamless user experiences.
